

**PRESS RELEASE**

FOR IMMEDIATE RELEASE:

## **InSite Services Names New Vice President of Sales**

*Brad Collins Brings Over 15 Years of Sales Experience With Technology Solutions*

DALLAS, TX --- July 28, 2008 – InSite Services, a leading provider of on-demand/SaaS business process management technology services, today announced the appointment of Brad Collins to the position of Vice President of Sales.

Mr. Collins will be responsible for overseeing all sales activities within the company including direct sales and management of sales partners. "It's an exciting time to be a part of the InSite Services team," said Mr. Collins. "The company continues to take the lead in helping small and medium-sized businesses affordably leverage web-based technologies to improve business results. The impressive success metrics for each of InSite's clients are clear proof that InSite understands how to help companies successfully adopt internet technologies to automate key business processes and more effectively manage information."

Prior to joining InSite Services, Brad was Director of National Accounts for DataStarUSA, a technology based company. He also previously served as Area Sales Manager at DataMax, Business Development Manager for Denitech, and was founder and CEO of Innovative Data Systems.

"Brad brings a strong track record of success in selling technology solutions to companies of all sizes across a wide range of industries," stated Jeff Anderson, President of InSite Services. "Brad's commitment to client satisfaction and excellence fits nicely with the mission and values of InSite Services and we are pleased to have him join us."

### **ABOUT INSITE SERVICES**

Headquartered in Dallas, InSite Services is a leading provider of on-demand/SaaS technology services that help small and mid-sized organizations transform business processes. InSite's web-based solutions enable companies to improve results through cost reduction, improved information management, and streamlined business processes. InSite offers both customized departmental solutions and industry specific solutions that enable companies to focus on what they do best instead of pushing paper. InSite's departmental solutions automate business processes for clients in areas such as accounting and finance, contracts, customer service, human resources, and sales. InSite's industry solutions automate core traditional business processes for clients in education, energy, financial services, healthcare, hospitality, legal, staffing, and telecom.
